Roc No.2525/52 B.3.,dated 17th April 1952.

Sir,

Sub:- Education- Secondary-Bellary District Board-Payment of stipends to candidates deputed to B.T.course- Sanction requested.

****

There is dearth of trained graduates to teach subjects in Social Studies, Mathematics and Science in higher forms. Many posts have been kept vacant in several High Schools under the control of this Board. Inspite of several advertisements in the Dailies no hands are forthcoming.

2. With a view to ease the situation, it is proposed to depute four graduates for training in B.T. at the cost of the District Board at Rs.250/- per candidate. Provision has been made in the Budget Estimate for 52-53.

3. I request the Government to kindly accord sanction for training four graduates in B.T. preferably Science and Mathematics on condition that the candidates execute a bond binding themselves to serve the Board for not less than five years failing which they should refund the stipends.

The favour of early orders are requested.

M.C. Narasimhan

For President,District Board,

2. According to the statistics collected in this office there are 11 Secondary Schools under the control of the District Board. The number of sections in the High School Department is 40. The number of trained teachers available to handle these classes is only 27 including 11 Headmasters. There are 8 untrained teachers appointed for want of qualified hands. Hence it is clear that there is real dearth for trained teachers in the District Board Schools.

3. In the above circumstance, the President District Board's proposal to depute four candidates for B.T. course paying stipends from the District Board funds may be approved subject to the condition that the candidates agree to serve the Board for a minimum period of five years after completion of training.
